

DECLARATION FOR UTILITY PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name;

I believe I am the original, first and sole inventor (if only one name is listed below) or a joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled WALK AERATOR WITH GROUND FOLLOWING CORING HEAD, INBOARD WHEELS, ASSEMBLED MULTI-PART CRANKSHAFT, INTEGRAL CORE DEFLECTORS, AND SHORTENED CORING HEAD DEPTH, the specification of which was filed November 12, 2003 as Serial Number 10/706,607.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

ASSIGNMENT

WHEREAS, We, Walter J. Petersen, Jackie R. Gust, Michael J. Gilberg, and Gerald J. Pomerening, residing or having a mailing address at 12040 Jasper Lane, Eden Prairie, MN 55347, 29770 Hayes Avenue, Northfield, MN 55057, 2298 Copperfield Drive, Mendota Heights, MN 55120, and 20591 Akin Road, Farmington, MN 55024, respectively, have made certain new and useful inventions and improvements for which we executed an application for Letters Patent of the United States which is entitled WALK AERATOR WITH GROUND FOLLOWING CORING HEAD, INBOARD WHEELS, ASSEMBLED MULTI-PART CRANKSHAFT, INTEGRAL CORE DEFLECTORS, AND SHORTENED CORING HEAD DEPTH, the specification of which was filed November 12, 2003 as Serial Number 10/706,607;

AND, WHEREAS, The Toro Company, a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 8111 Lyndale Avenue South, Bloomington, Minnesota is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and applications and in and to the Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do sell, assign and transfer unto aid The Toro Company, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to said application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and

WE do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to said The Toro Company as the assignee of the entire right, title and interest in and to the same, for the use of said The Toro Company, its successors or assigns.

AND, for the consideration aforesaid, we do hereby agree that we, or our executors or legal representatives, will make, execute and deliver any and all other instruments in writing relating to said inventions and improvements including any and all further application papers, affidavits, assignments and other documents, and will communicate to said The Toro Company, its representatives, successors or assigns, any and all facts known to us relating to said inventions and improvements and the history thereof, and will

testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said The Toro Company, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, FURTHERMORE, we covenant and agree with said The Toro Company, its successors or assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us, and that the full right to convey the same as herein expressed is possessed by us.

IN TESTIMONY WHEREOF, we have hereunto set our hands, as of the date written below adjacent our signatures.
